<b>Who is Matisse? – Learning to draw, cut and paint like Matisse</b>	<b>Bill Whorral</b>	<b>Fee: \$50</b>	
An introduction class to Henri Matisse. We will spend the class drawing still life set ups, people and scenes indoors in his style. We will also cut out papers and create compositions as he did, along with including some simple color works. The stress will be on seeing how Matisse reduced complex things to lyrical and simple shapes. Gesture, color and pattern are key Matisse words.			
June 9-13	Adults	6:00 pm—8:00pm	
<b>Paint like Van Gough— Drawing and Painting Landscape Outdoor</b>	<b>Bill Whorral</b>	<b>Fee: \$65</b>	
Students will become acquainted with Vincent Van Gogh's style of drawing and painting landscapes through on site outdoor work. Pencil, ink and paint will be used. All supplies will provided. Bring old clothes and your enthusiasm!

<b>Plein Air Painting</b>	<b>Wyatt LeGrand</b>	<b>Fee: \$40</b>	
Join us in a one day workshop, painting outside! This workshop will focus less about the technical application of paint, and more about seeing the subjects we paint. We will create at least one "quick study" and a larger "finished painting". Special attention will be paid to color theory and composition. Students will be pushed to paint large and gestural, with intent to capture the subject simply and quickly, using bold color and dynamic composition. Pack a lunch!			
SATURDAY, July 19th	High School & Adults	8:00 am—4:00pm	
<b>Fauvism – Wild about Color and Painting</b>	<b>Bill Whorral</b>	<b>Fee: \$30</b>	
The Fauves ("Wild Beasts") used bright colors that shocked their contemporaries. This group of painters intrigued people like Matisse and Picasso. We will be painting still life's and landscapes, interoperating the colors we see with a fresh energetic eye. No dull art will emerge!
